

CERTIFICATE

Information Security Management System ISO/IEC 27001:2022

The Austrian Computer Society (OCG) certifies that the implementation and continuous improvement of an Information Security Management System (ISMS) of the Certified Organisation (stated below) complies with the requirements of ISO/IEC 27001:2022.

Certified Organisation:

ecosio GmbH

Wiedner Gürtel 9, Turm 9, 1100 Vienna,
Austria

Certified location, scope and business areas:

Entire ecosio GmbH, including all services, departments and employees globally. ecosio provides a cloud-based network for automated B2B communication, especially EDI and e-invoicing/CTC. As a remote-first company, the only physical office location is in Vienna, further locations within the scope (without offices) are in United Kingdom, Germany, Italy, France, Spain, UAE and Malaysia (see Annex). SoA-Version is 20231108 v2.

Date of initial certification: 28 May 2024

Certificate expiry: 27 May 2027

Certificate no: 025/3_2024

For and on behalf of the Austrian Computer Society (OCG)

Vienna, 26 August 2026

Wilfried Seyruck

OCG has been accredited as certification body for management systems according to ISO/IEC 17021-1:2015 and ISO/IEC 27006-1:2024 standards for certifications to the ISO/IEC 27001 standard by the National Accreditation Body "Akkreditierung Austria" since 5 July 2013 (ID-number: 0948).
